

Scientific and Practical Conference

"Problems and prospects of development of clinical and preventive medicine and public health" (for the 10th anniversary of the State Scientific Institution "Scientific-Practical Center for Preventive and Clinical Medicine" of the State Department of Affairs)

Kyiv, October 24-25, 2019

The first informative message

Dear colleague!

We invite you to take part in the scientific and practical conference "Problems and prospects of development of clinical and preventive medicine and public health" (for the 10th anniversary of the State Scientific Institution "Scientific-Practical Center for Preventive and Clinical Medicine" of the State Department of Affairs), which will be held on the 24th – 25th of October 2019 in Kyiv. The organizer of the conference is the State Scientific Institution "Scientific and Practical Center for Prophylactic and Clinical Medicine" of the State Department of Affairs. The conference is included in the Register of congresses, symposiums and scientific-practical conferences of the Ministry of Health and Science of Ukraine and the National Academy of Medical Sciences of Ukraine for 2019 (registration number 356).

Program questions of the conference:

1. Organizational and methodological issues are related to the development and implementation of normative legal acts on the activities of health facilities.
2. Innovative approaches to planning and conducting preventive measures aimed at preserving public health.
3. Organizational-methodological and clinical aspects of the provision of medical care to patients with comorbid conditions in the practice of internal medicine.
4. Rational pharmacotherapy in the clinic of internal medicine from the standpoint of evidence-based medicine.
5. Minimally invasive technologies in surgical practice and their anesthetic support.
6. Innovative technologies in videoendoscopic, bariatric and antireflux surgery.
7. Problematic issues of laparoscopic technologies in gynecological and urological practice.
8. Master classes of leading specialists: Serbul N.M. (surgeon), Habrat B.V. (gynecologist), Zhuravchak A.Z. (urologist). Forms and terms of participation in the conference:

Publication of articles, abstracts, oral report, poster presentation, master class, exhibition of promotional products.

For the personal participation in the work of the Conference, it is necessary to complete and send the participant's questionnaire (see Appendix).

Publication of conference materials:

Articles and theses of reports will be published in the scientific journal "Clinical and preventive medicine", which is included in the List of scientific professional editions of Ukraine (Order of the Ministry of Education and Science of Ukraine dated 05.07.2019 No. 612).

The requirements for the preparation of articles are posted on the website of the Clinical and Prophylactic Medicine magazine, cp-medical.com.
